**DATA PRACTICES ADVISORY**

Some or all of the information that you are asked to provide on this application is classified by state law as either private or confidential. Private data is information which generally cannot be given to the public, but can be given to the subject of the data. Confidential data is information which generally cannot be given to either the public or the subject of the data.

Our purpose and intended use of this information is to determine and recommend qualified candidates for appointment to the Water Resources Advisory Committee. You are not legally required to provide this information. If you refuse to supply the information, we may not be able to further consider your appointment. Protected information will be shared with administrative staff of Benton County, the Board of Commissioners and the Water Resources Advisory Committee.
